 during crisis 206–7
 work-related 93–4
application rules, reflexivity 135–6
assessment
 administrative approach 107
 and attachment 68–9
 children 115–26, 312
 complexities 104–5
 in criminal justice 138–49
 definitions 101
 expert approach 107–8
 frameworks 101–2, 104–5
 children in need 68–9, 115–17, 312
 functions of 128
 holistic 103–4
 knowledge resource 102–3
 models 107–12
 opportunity-led practice 262–3
 outcomes model 110–12
 parallels with student assessment 105
 of parenting 118–19
 personalized 103–4
 policy context 105–6
 problem-solving approach 108–12
 reflexivity in 129–37
 Single Shared Assessments 326
 skills needed 106–7
 structured approaches 141–4
 see also risk assessment
Assessment, Case Recording and Evaluation System (ACE) 142–3, 144, 145
Assessment Framework (DOH) 68, 115–17, 312
Asset, offender assessment tool 143
attachment 59–60, 77
 assessment of 68–9
 in contemporary policy 57–8
 and internal working models 61–2
 link with caregiving 60–1
 and loss 64–5
 multiple attachments 63–4
 patterns of 62–3
 role of social workers 67–70
 and socio-genealogical connectedness 65–6
 theory 58
 universality of 63
Attachment and Loss (Bowlby) 242
authenticity, assessment 109–10
authority of social workers 271–2
autonomy vs. doubt/shame 77–8
Barclay Report 290–1, 291–2
Beck's cognitive therapy 184
bedwetting, bell and pad method of treating 181
behavioural therapy see cognitive behavioural approach
bereavement 202, 236–7
 approach to bereaved person 244–5
 characteristics of mourning 242–4
 experience of 241–2
 see also loss
Best Value legislation 259–60
Bichard Inquiry 310
bonding 45, 60, 77
boundary-defining function, social theory 51
boundary management 354–5
brief solution-focused family therapy 223–4
caregiving and attachment 60–1
'caregiving relationship' 60, 61
case management 149, 163
celibate relationships 82
change
 and empowerment 273
 and loss 236–7, 346–7
 and transition 347
 see also organizational change
chaos theory 251
child abuse
 child protection agenda 307–11
 interventions 46–7
 social work exercise 42–4
child care practice 311–12
 adoption 314–15
 assessment 312
 foster care 313–14
 looked-after children 312–13
 residential (group) care 314
 through care provision 315–16
 youth justice 316–17
Child Development for Child Care and Child Protection Workers (Daniel, Wassell and Gilligan) 67
child protection 307–11
 and inter-agency communication 92–3
Child Protection: Messages from Research (DOH) 308
childhood poverty 305–6
children
 assessment 68–9, 123–5
 of developmental needs 118–20
 developmental pathways 117
 early intervention 230–1
 early years 118–19
 engaging with 120–1
 framework for assessments 115–17
 leaving care 315–16
 legislation 306–7
 multiple attachments 63–4
 observation of 123–5
 peer support 125
 personality development 74–82
 policy changes 304–5
 resilience of 203, 204–5
 rights of 304–5, 311, 317
 school years 119
 views of 121–3
 youth justice 316–17
 see also attachment; child abuse; child care practice; child protection
Children Act (1948) 304
Children Act (1989) 306, 309, 312
Children Act (2004) 305, 306
Children and Young Persons Act (1969) 316
Children (Scotland) Act (1995) 305, 307, 315
